When purchasing your school supplies, if you purchase them at Office Depot, West Lutheran High School will receive 5% of your qualifying purchase back in credits to the school. Last year some families did this without us even knowing about it and the school received a nice rebate. We thought we would share this easy way to give back to West, while doing something you will do anyway, buy school supplies. This program is a year long program so whenever purchasing supplies, remember to say you want West Lutheran to receive the 5% Back to Schools!! Thank you!
