

West Lutheran High School Tuition Assistance Application

We want tuition at West Lutheran High School to be affordable for every family. God graciously gives all of his people gifts of time, talents, and treasures, in accordance with his will, to support the work of the church. It is important that parents of students in the WLHS community understand that when enrolling their student, they are making a commitment to support the work and ministry of WLHS in proportion with the time, talents, and treasures gifts that God has given them.

The majority of the operating fund budget is derived each year from tuition. It is appropriate that parents, when able, support WLHS through tuition dollars. However, in the case that full tuition is not affordable with the treasures gifts God has given a family, financial assistance in the form of grants, loans, and opportunities to support the ministry with volunteer time and through use of unique talents is allocated as a substitution for ministry support by tuition.

Over \$150,000 in tuition assistance is awarded each school year. To be eligible for tuition assistance, please complete the following form with the appropriate information and submit it to the tuition assistance committee through the mail or hand deliver it to the main office by March 31st. The tuition assistance committee will put together a financial aid package for your review shortly after submitting this application.
